VALDESE COOL KIDS

MARCH 6- LEPRECHAUNS

Who are the Wee People? Leprechauns! I believe, do you? Cool Kids travel to Ireland this month to learn about all things Irish. You'll be surprised at what's true about Ireland and what's Irish folklore or legend. We will make a teeny tiny hat perfect to leave out for a Leprechaun.

MARCH 13- SAINT PATRICK'S DAY

Come celebrate "the wearing of the green"! We will play bingo, Irish Pictionary and Saint Patrick's Scramble. Of course, we will have to eat something green.

MARCH 20- FAIRIES

Irish lore is just bursting with fairies. You know about leprechauns, but do you know what a Banshee is? Have you ever heard of a Pooka or a Merrow? There are many types of fairies just waiting to be discovered. Come join the hunt through the forests of Ireland and see what we can catch. It's important to know what kind of fairy you have because you're going to make a fairy house for him/her this week.

MARCH 27- FAMILY GOLD MOVIE NIGHT

Come join us for Family Gold Movie Night as we present the wonderful classic "ET". The movie will begin at 6:00 PM and is free and open to the public.

Refreshments will be provided for those attending.
