VALDESE PRESCHOOL PALS

## MARCH 7- WEATHER

Wind, rain, snow and sunshine—weather is all around us; and March is the perfect time to see different kinds of weather. Today we will read Whatever the Weather by Karen Wallace and do a silly flannel story about weather. We'll end our day by making wind paintings.

## MARCH 14- LEPRECHAUNS

What is short, wears green and loves gold? A Leprechaun, of course! Today we will read The Leprechaun Who Lost his Rainbow by Sean Callahan. We'll go on a treasure hunt to find the leprechaun's gold and sing an Irish song about being happy. Our craft today is a leprechaun's tie you can wear.

## MARCH 21- SPRING

Listen...can you hear the birds tweeting? The flowers are budding and spring is here! Let's be brave and go on a springtime bear hunt! We'll read Bear Wants More by Karma Wilson. Then we'll make ourselves all beautiful by making pretty flower hats.

## MARCH 28- COLORS

We all know our colors, but do you know what colors mix to make other colors? Today is a messy day. We'll read The Mixed-up Chameleon by Eric Carle. Afterwards, Ms. Amber will use the overhead projector to tell a story about mixed up colors. To end our adventure in mixing colors, we will make colorful crayon scratch pictures.
