## VALDESE TERRIFIC TOTS

### MARCH 5- ANIMALS

This month we will visit some animals that live in Africa. We will start by reading a fun book by Judy Sierra called Zoozical. The fun doesn't stop there as we go on to hear Giraffes can't Dance by Giles Andreae. Maybe giraffes can't dance but can you? We've got some fun songs and rhymes that you can do some stepping' and stompin' to . Then you can make a wild animal necklace to wear home.

Come ready to wiggle and jump and make a little noise. No quiet library time this week! We're getting out the musical instruments and playing along as we hear Bearobics by Vic Parker and The Animal Boogie by Debbie Harter. We've got rhythm! We've got rhyme! We're going to shake it, shake it, shake it and have a fun time! You'll even make a musical craft so you can keep having fun once you get home.

Get ready to go Way Far Away on a Wild Safari (by Jan Peck) as you look for a lion and other jungle animals. Goin' on a lion hunt..... We're not scared! Every good safari hunter needs a good pair of binoculars to see all the things deep in the jungle, so you'll make a pair today so you'll be ready for a hunt anytime.
