First Time Use Instructions:

1. Create an Account

1. Select “Create New Account.”

2. Create personal account.

2. Download and Install OneClickdigital Media Manager

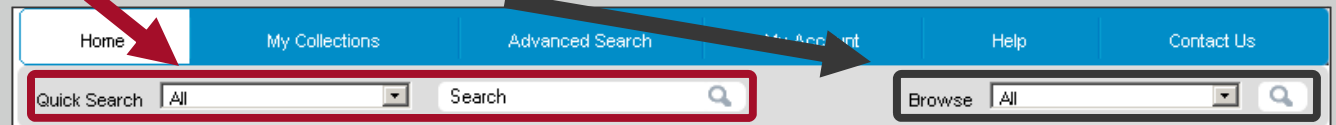

3. Locate and Download your book.

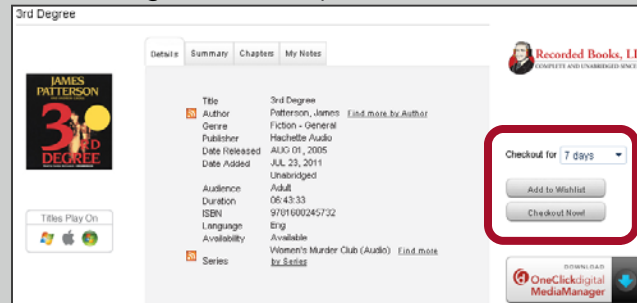

4. Enjoy!

Finding and Downloading Books:

1. Search for a particular book, or browse by category.

2. Choose a Book. You can then “Add to Wish List”, or “Checkout Now” if it is available. If the title is not currently available, you can place it on “Hold” (note, you can see how many people are waiting for the title). You will be notified when the title is available for checkout.

3. Once you click “Checkout Now!” you will be prompted to download the file. It will automatically open the OneClickdigital Media Manager and begin to download the book.

4. Once downloaded, you can choose to listen to the book on your computer through the Media Manager or transfer it to your iPod or other Mp3 player.

If you choose to use an iPod, you must already have iTunes installed and your iPod connected to your computer before you choose to transfer the book.
